She told me we couldn't afford beer anymore and that I would have to quit.

Then I caught her spending \$65 for makeup.

I asked her how come I had to give up stuff and she didn't.

She said she needed the makeup to look pretty for me.

I told her that was what the beer was for.

I don't think she's coming back..

President Secretary

SCHOOOL PROJECTS

As advised by Ines Thomas, our next School Projects are listed below: -

- Soldiers Pt School 5 Aug (2 Sessions)
- Soldiers Pt School 6 Aug (2 Sessions)
- Bobs Farm date TBA
- Karingal 29 Aug
- Soldiers Pt School 16 Sep (2 Sessions)
- Soldiers Pt School 17 Sep (2 Sessions)
- St Phillip 24 Jul to 25 Sept (every Wednesday afternoon). Junior School Principal, Brett Allen, will return to the shed in the next few weeks and finalise all details. We will let you know when he tells me when he is visiting. This project will need full Club support.

Apart from the above we will have Lifestyle Solutions and Harbourside around November.

Alesco is also supposed to be once a term.

As always, most schools want their events for Father's Day and we get extremely busy at that time. Our newer members are again reminded that our School/Community Projects are part of your commitment to the Club and we ask for your support.

Remember, in most cases, to participate in these School Projects you will need to have a Police Check. This is very easy to do on line and costs you nothing.

TID BITS FROM THE SHED

- Remember this saying always. No matter what you do, safety starts with you.
- Vince Rush, our gun turner, has won some more prizes at the Newcastle Show. He received 3 Firsts,
 2 Seconds, and 1 Highly Commended. He also won 1st Prize for a Sculpture in the Arts Section. Well done again Vince.
- Col and Clyne Bridgeman had their photos in the local paper last week highlighting their work with the "Waterwatch" program. It seems that if you want your water checked, see Col.
- Have you voted for the amendments to the constitution? This is very important and we need your support. Please vote as soon as possible. If the automatic voting system as described in the email does not work for you, please ring me with your response. Bob Grant 0407 402 253.
- The table made by Stewart Upton, as shown in Show and Tell, came in very handy during our recent heavy rain. It was too wet to have morning tea in the normal spot so it was fitted with a table cloth and members enjoyed their morning tea inside.
- A Whale Watch Cruise will be arranged later in the year, possibly October, on the "Imagine". At
 that time of the year the whales are going south with their young ones and the weather is much
 warmer than it is now. The cost will be \$50 per head which means that we will be sharing the boat
 with the general public. This will not be a problem as it becomes too expensive to reserve the boat
 for our sole use.
- Graham Miller advises that "Turnfest" is on again next year at Sea World on the Gold Coast during the 27th 28th and 29th March. Cost for the whole weekend is \$800 which includes accommodation and all meals. See Graham Miller if you want more details as he has been several times and is an avid fan of the event.
- Another Barefoot Bowls event has been scheduled for November. Final date to be advised. Cost will be \$10.00 to cover green fees and the hire of a set of bowls. Finger food will be available at \$45.00 a plate. Venue to be the Soldiers Point Bowling Club. Watch this space.
- <u>Constitution Voting</u>. Just to clarify the situation regarding voting. You don't <u>have</u> to vote on line.
 You can ring your vote to me or vote at the Annual Meeting. We are still well short of the number required to pass the amendments.

WELFARE REPORT - BOB GRANT

- ➤ Several members attended the funeral of Jerry Runyard on Wednesday, 22nd May, at the France Funeral Chapel in Nelson Bay. Thanks for your support and a big thank you to Stewart Upton for keeping in contact with Jerry and his wife Jenny during Jerry's illness.
- President John Jeffress has been ill and spent a few days in the Tomaree Community Hospital (note that it is no longer called the "Polyclinic".) He has now recovered and we wish him well in the future. His two daughters came up from Sydney to be with him during his hour of need. Thanks also to Stewart Upton for helping John during this time.
- > Tom Bonar has had a "nasty" removed from his right ear which necessitated a skin graft to complete the fix. He now has a similar nasty on his right ear which is receiving attention. We hope all works out well for you Tom.
- Yours Truly's foot has completely healed but I now have to wear a special boot to help reduce the swelling and temperature of the left foot. This should be a temporary measure.

Please continue to let me know if any member or their family is ill or needs help in any way.

SHOW & TELL

At left is a gavel made by Rod Howard who was unable to attends the meeting. The head of the gavel is an Indoor Bowl made from Lignum Vitae, a naturally dark wood. Rod turned the handle from a piece of Brigalow and it is a good match without having to be stained. Well done Rod.

At left is a wall Mirror frame made by Bob Parrish. The frame is made from a variety of timbers collected as "road kill" by Stewart Upton. It proves the point that one man's rubbish is another man's treasure.

Well done again Bob. You are a master of making something out of nothing.

At right is a bowl made by Graham Miller. The timber is Silky Oak and was originally reserved for Jerry Runyard. The bowl is finished in Danish Oil and the decorative edging was firstly indexed on a lathe and finished off with a Dremel Tool.

Pictured above are two items from Col Bridgeman. The one at left is a Band Saw Box made from Vnetian Blind

slats. It has been made for one of Col's children who missed out when his other children got theirs. It is finished off with a varnish. The small platter on the right is made by using "liquid glass" to form the four-leaf clover design. Both items look great and we say again, well done Col.

Pictured below is a Cake Platter made by Warren Cannon and at right (the secret underneath). The platter is for his daughter's birthday this Saturday and is made from Norfolk Pine and finished with a lacquer. Well done Warren. It looks fantastic.

Pictured at left is something not made by Col Bridgeman but an item he brought along showing the latest in fashions made from cork. The cork is removed in a thin layer and does not affect the life of the tree as additional shavings can be made in future years.

The cork is very soft to touch and looks great. It is always amazing to see what we can do with items from nature without spoiling the environment. Thanks, Col, for bringing along this item.

Huon Pine

BOTANICAL NAME: Dacrydium franklinii

OTHER COMMON NAMES: White Pine, Macquarie Pine.

TREE DESCRIPTION: Huon Pine is a medium to tall softwood, which grows only in the cool temperate high rainfall areas of South Western Tasmania. It is one of Australia's longest-lived species. The tree occasionally reaches heights of up to 38m (125ft) and 1.9m (6ft) in diameter. Normally, it is less than 20m tall.

COLOUR: The sapwood is pale, very narrow and is not easily distinguishable from the heartwood, which is light cream to yellowish-brown in colour.

GRAIN AND TEXTURE: It is usually straight grained, with fine growth rings closely spaced, giving it a very fine and even texture. Sometimes, it exhibits a beautiful birds-eye figure. (The most valuable figure is acquired from full burl or near burl.)

DENSITY: Air dry density is approx. 520kg/m³.

STABILITY: Huon pine is a very stable timber — favoured for boat building due to its low shrinkage and high stability.

DURABILITY: It is a very durable timber, noted for its resistance to decay, primarily due to the presence of the essential oil — Methyl eugenol. It is not susceptible to attack by Lyctus borers.

WORKING PROPERTIES: Huon Pine is a moderately light and soft wood with a fair degree of strength. Sometimes it has a rather oily feel on freshly planed surfaces. It saws and machines very easily to a smooth finish, and does not readily blunt tool edges. Nailing and screw holding ability is good. Gluing is satisfactory, although resorcinol and epoxies may present problems. It has good steam bending properties. Freshly cut wood has a very strong and distinctive resinous odour. It can be worked to a high polish and usually accepts finishes well.

TALES OF THE MONTH

A Train Track and a Motorway walk in to a Bar. The Train Track says to the Barman "A Pint for me, and one for the Road!"

~~~~~~~~~

A guy walked into a crowded bar, waving his un-holstered pistol and yelled,

"I have a 45 calibre Colt 1911 with a seven-round magazine plus one in the chamber,

and I want to know who's been sleeping with my wife."

A voice from the back of the room called out, "You need more ammo!"

A father buys a robot lie detector that slaps people when they tell a fib.

Dad decides to test the robot after dinner one night, and asks his Son what he and his mates did during the afternoon. Son replies: "I did some homework!"

The Robot slaps the Son.

The Son responds with: "OK, OK I was at a friends' home and we were watching movies."

Dad: "Oh. What did you watch?" Son: "Toy Story"!

The Robot slaps the Son

Son: "OK, OK, we were watching x rated movies."

Dad: "What?? When I was your age, I had no idea what x rated movies were."

The Robot slaps the Father

Mum laughs: "Well, he certainly IS your Son!"

The Robot slaps the Mother

THERE IS NOW A ROBOT FOR SALE ON eBAY...GOING VERY CHEAP

WIFE V HUSBAND

A couple drove down a country road for several miles, not saying a word.

An earlier discussion had led to an argument and neither of them wanted to concede their position.

As they passed a barnyard of mules, goats, and pigs, the husband asked sarcastically, 'Relatives of yours?' 'Yep,' the wife replied, 'in-laws.'

WORDS

A husband read an article to his wife about how many words women use a day. 30,000 to a man's 15,000.

The wife replied, 'The reason has to be because we have to repeat everything to men...

The husband then turned to his wife and asked, 'What?

THE SILENT TREATMENT

A man and his wife were having some problems at home and were giving each other the silent treatment.

Suddenly, the man realized that the next day, he would need his wife to wake him at 5:00 a.m. for an early morning business flight.

Not wanting to be the first to break the silence (and LOSE), he wrote on a piece of paper, 'Please wake me at 5:00 AM.' He left it where he knew she would find it.

The next morning, the man woke up, only to discover it was 9:00 AM and he had missed his flight.

Furious, he was about to go and see why his wife hadn't wakened him, when he noticed a piece of paper by the bed. The paper said, 'It's 5:00 a.m. Wake up.'

Men are not equipped for these kinds of contests.

WHO DOES WHAT?

A man and his wife were having an argument about who should brew the coffee each morning.

The wife said, 'You should do it because you get up first, and then we don't have to wait as long to get our coffee.'

The husband said, 'You are in charge of cooking around here and you should do it, because that is your job, and I can just wait for my coffee.'

Wife replies, 'No, you should do it, and besides, it is in the Bible that the man should do the coffee.'

Husband replies, 'I can't believe that, show me.'

So she fetched the Bible, and opened the Old Testament and showed him at the top of several pages, that it indeed says ..'HEBREWS'
